ABOUT J.W. SPEAKER

Established in 1935, J.W. Speaker is the world's leading manufacturer of innovative off-road LED lighting products. If you demand superior visibility, extreme durability and unmatched longevity, look no further than J.W. Speaker:

- OEMs such as Harley-Davidson, Polaris, and Chrysler use J.W. Speaker products because our engineered beam patterns are second to none.
- Extensive use in Iraq & Afghanistan are a testament to the military-grade construction and dependability of J.W. Speaker's LED lighting products.
- J.W. Speaker products are built to last. We back up this statement by offering the industry's leading warranty. Period.

LED HEADLIGHTS

Off-Road enthusiasts trust J.W. Speaker's premium performance LED headlights because of their superior visibility, rugged durability, and unique look that comes with every product.

SUPERIOR VISIBILITY

Leading Competitor's Beam Pattern

J.W. Speaker's Beam Pattern

RUGGED DURABILITY

- The same heavy duty construction we use for the U.S. Military
- Solid state electronics withstand shock & vibration
- No breakable bulbs, fragile filaments or sensitive electrodes
- Last 50+ times longer than stock halogen headlights
- Designed, manufactured and assembled in the U.S.A.

UNIQUE LOOK

MODEL 8700 EVOLUTION 2

7" ROUND LED HEADLIGHT

- Market-leading light output
- Beam patterns maximize visibility
- New ComfortLite™ high beams
- Jeeps require Anti-Flicker Harness

Raw Output: 1,770 (Low)/2,610 (High) Lumens

Effective Output: 750 (Low)/1,150 (High) Lumens

Operating Voltage: 9-32V DC

Mating Connector: H4

Standards: DOT-Compliant, Transport Canada Compliant

Plug & Play Replacement for:

- 2007-2014 Jeep Wrangler 2-Door JK
- 2007-2014 Jeep Wrangler Jeep Wrangler Unlimited 4-Door (JK)

Mounting Options:

Description	Part #	Retail
1 Headlight, Black Bezel	0549701	\$390.00
1 Headlight, Chrome Bezel	0549711	\$390.00
1 H4/H13 Anti-Flicker Harness	8000311	\$70.00

MODEL 8700 EVOLUTION J

7" ROUND LED HEADLIGHT

- 1st Jeep-specific LED Headlight
- Daytime running light & "Half Halo"
- No Anti-Flicker Harness required
- Truly a Plug & Play installation
- New ComfortLite™ high beams

Raw Output: 1,770 (Low)/2,610 (High) Lumens

Effective Output: 750 (Low)/1,150 (High) Lumens

Operating Voltage: 9-32V DC

Mating Connector: H13

Standards: DOT-Compliant, Transport Canada Compliant

Plug & Play Replacement for:

- 2007-2014 Jeep Wrangler 2-Door JK
- 2007-2014 Jeep Wrangler Jeep Wrangler Unlimited 4-Door (JK)

Mounting Options:

Description	Part #	Retail
2 Headlight Kit, Black Bezels	0551131	\$800.00
2 Headlight Kit, Chrome Bezels	0551141	\$800.00
1 Headlight, Black Bezel	0550771	\$420.00
1 Headlight, Chrome Bezel	0550781	\$420.00

MODEL 8900 EVOLUTION

7" x 5" LED HEADLIGHT

- New & improved light output
- Engineered beam patterns
- Choice of black or chrome bezel
- Easy Plug & Play installation

Raw Output: 1,350 (Low)/1,770 (High) Lumens

Effective Output: 650 (Low)/850 (High) Lumens

Operating Voltage: 9-32V DC

Mating Connector: H4

Standards: DOT-Compliant, Transport Canada Compliant

Plug & Play Replacement for:

Plug & Play replacement for H6054
(7" x 5") headlights in most applications

Mounting Options:

Description	Part #	Retail
1 Headlight, Black Bezel	0550111	\$400.00
1 Headlight, Chrome Bezel	0550071	\$400.00

LED TAIL LIGHTS

What do you get when you combine cutting-edge technology, innovative styling, and performance-driven design? The answer is a trail-ready LED tail light that makes you look just as good driving to work as it does rock crawling.

"BLACKED OUT" STYLING

INNOVATIVE "LIGHT BLADE" TECHNOLOGY

MODEL 279 J SERIES

6" x 8" LED JEEP TAIL LIGHT

- Designed exclusively for Jeeps!
- Unique Jeep-specific fitment
- The perfect additions to any Jeep!

Functions: Stop (Red), Tail (Red), Reverse (White)

Operating Voltage: 9-32V DC

Mating Connector: Yazaki 7282-5553-30

Standards: DOT-Compliant, Transport Canada Compliant

Plug & Play Replacement for:

- 2007-2014 Jeep Wrangler 2-Door JK
- 2007-2014 Jeep Wrangler Jeep Wrangler Unlimited 4-Door (JK)

Mounting Options:

Description	Part #	Retail
2 Light Kit, Jeep LED Tail Lights	0347531	\$380.00

MODEL 279

6" x 8" LED TAIL LIGHT

- Designed to fit a variety of vehicles
- Retrofits any vehicle that has flat-mounted tail lights
- Functionally identical to our Jeep-specific Model 279 J Series

Functions: Stop (Red), Tail (Red), Reverse (White)

Operating Voltage: 9-32V DC

Wiring: 10" bare wires

Standards: DOT-Compliant, Transport Canada Compliant

Retrofit Information:

Retrofits any vehicle that has flat-mounted tail lights

Mounting Options:

Description	Part #	Retail
2 Light Kit, Universal LED Tail Lights	0347551	\$380.00

LED FOG LIGHTS

Proprietary solid optics, high quality LEDs, and heavy duty construction combine to deliver superior visibility, rugged durability and unmatched longevity.

PROPRIETARY SOLID OPTICS

HEAVY DUTY CONSTRUCTION

- Hard-coated, impact-resistant polycarbonate lenses
- Die-cast aluminum housing provides maximum protection
- Long-lasting LEDs provide years of reliable illumination
- Never replace another bulb again!
- Designed, manufactured & assembled in the U.S.A.

HIGH QUALITY LEDs

MODEL 6145

4" ROUND LED FOG LIGHT

- Intended for pre-2013 Jeeps
- Does not address PWM found in 2014 & newer model year Jeeps
- Available in black or chrome bezel
- Designed exclusively for Jeeps!
- Retrofits stock Jeep fog lights

Raw Output: 1,080 Lumens

Effective Output: 610 Lumens

Operating Voltage: 10-15V DC

Mating Connector: Packard (#12059183)

Standards: DOT-Compliant, Transport Canada Compliant

Retrofit Information:

• Plug & Play:

- 2007-2010 Jeep Wrangler
- 2009 Dodge Journey
- 2005-2008 Dodge Magnum
- 2006-202 PT Cruiser

• Splicing Required:

- 2011-2012 Jeep Wrangler
- 2010-2012 Dodge Journey
- 2011-2012 Jeep Grand Cherokee
- 2011-2012 Dodge Charger
- 2005 Chrysler 300

Mounting Options:

Description	Part #	Retail
1 Fog Light, Black Bezel	0547971	\$220.50
1 Fog Light, Chrome Bezel	0547941	\$220.50

MODEL 6145 J SERIES

4" ROUND LED FOG LIGHT

- Integrated technology to address PWM in newer model year Jeeps
- Designed exclusively for Jeeps!
- Available in black or chrome bezel
- Retrofits stock Jeep fog lights

Raw Output: 1,080 Lumens

Effective Output: 610 Lumens

Operating Voltage: 10-15V DC

Mating Connector: Packard (#12059183)

Standards: DOT-Compliant, Transport Canada Compliant

Retrofit Information:

• Plug & Play:

2007-2010 Jeep Wrangler
2009 Dodge Journey
2005-2008 Dodge Magnum
2006-202 PT Cruiser

• Splicing Required:

2011-2012 Jeep Wrangler
2010-2012 Dodge Journey
2011-2012 Jeep Grand Cherokee
2011-2012 Dodge Charger
2005 Chrysler 300

Mounting Options:

Description	Part #	Retail
2 Light Kit, Black Bezels	0550871	\$400.00
2 Light Kit, Chrome Bezels	0550861	\$400.00

MODEL 6150

4" ROUND LED FOG LIGHT

- Does not address PWM found in 2014 & newer model year Jeeps
- Pedestal mount provides flexibility
- Works on a wide range of vehicles
- Available in black or chrome bezel

Raw Output: 1,080 Lumens

Effective Output: 610 Lumens

Operating Voltage: 10-15V DC

Wiring: 6" bare wires

Standards: DOT-Compliant, Transport Canada Compliant

Mounting Options:

- Front Bumper

Description	Part #	Retail
1 Fog Light, Black Bezel with Black Housing	0547981	\$199.50
1 Fog Light, Chrome Bezel with Black Housing	0547951	\$199.50
1 Fog Light, Chrome Bezel with Nickel Housing	0548991	\$199.50

MODEL 6150 J SERIES

4" ROUND LED FOG LIGHT

- Integrated technology to address PWM in newer model year Jeeps
- Works on a wide range of vehicles
- Pedestal mount provides flexibility
- Available in black or chrome bezel

Raw Output: 1,080 Lumens

Effective Output: 610 Lumens

Operating Voltage: 10-15V DC

Wiring: 6" bare wires

Standards: DOT-Compliant, Transport Canada Compliant

Mounting Options:

- Front Bumper

Description	Part #	Retail
2 Light Kit, Black Bezels with Black Housing	0550591	\$400.00
2 Light Kit, Chrome Bezels with Black Housing	0550881	\$400.00
2 Light Kit, Chrome Bezels with Nickel Housing	0550901	\$400.00

MODEL 9049-3M 21" LED FOG LIGHT BAR

- World's 1st street-legal LED light bar
- Superior beam pattern ideal for using on- or off-road
- Huge upgrade from stock fog lights
- Easy installation & mounts onto nearly any bumper!
- Rugged, impact-resistant solid optics

Raw Output: 2,400 Lumens

Effective Output: 1,500 Lumens

Operating Voltage: 10-15V DC

Wiring: 37" bare wires

Standards: DOT-Compliant, Transport Canada Compliant

LED AUXILIARY LIGHTS

Experience the power of J.W. Speaker's LED auxiliary lights! Available in a variety of different shapes, sizes & beam patterns, our lineup of trail-ready lighting will provide you with years of premium performance both on and off the road.

AMAZING POWER

CUTTING EDGE DESIGN

TRAIL-READY PERFORMANCE

MODEL 832

4" X 4" LED AUXILIARY LIGHT

- Die-cast housing & impact-resistant lens provide rugged durability
- Super bright LEDs provide maximum visibility & increase safety
- IP69K seal rating to protect against dust & water ingress
- Great for mounting in tight areas (less than 3" depth)

Raw Output: 2,700 Lumens

Effective Output: 1,600 Lumens

Operating Voltage: 10-32V DC

Mating Connector: 2-pin Deutsch connector (DT06-2S)

Standards: Sealed to IP69K

Mounting Options:

- A-Pillar
- Front Bumper
- Rooftop
- Rear Bumper

Description	Part #	Retail
1 LED Auxiliary Light with Flood Beam	1300181	\$300.00
1 LED Auxiliary Light with Spot Beam	1300161	\$300.00
1 LED Auxiliary Light with Trapezoid Beam	1300171	\$300.00

MODEL 840 XD 4" X 4" LED AUXILIARY LIGHT

- Thermally-conduction housing maximizes performance of LEDs
- Extremely compact & lightweight
- Corrosion- and impact-resistant
- IP69K seal rating to protect against dust & water ingress

Raw Output: 1,080 Lumens

Effective Output: 780 Lumens

Operating Voltage: 10-30V DC

Mating Connector: 2-pin Deutsch connector (DT06-2S)

Standards: Sealed to IP69K

Check out the XD Series Torture Test video where we put the Model 840 XD through a gauntlet of extreme abuse. Scan the QR code below or visit our YouTube channel (JWSpeakerCorporation) to see the tests for yourself!

Mounting Options:

- A-Pillar
- Front Bumper
- Rooftop
- Rear Bumper

Description	Part #	Retail
1 LED Auxiliary Light with Flood Beam	1300001	\$131.25
1 LED Auxiliary Light with Spot Beam	1300021	\$131.25
1 LED Auxiliary Light with Trapezoid Beam	1300011	\$131.25

MODEL TS3001R

6" ROUND LED AUXILIARY LIGHT

- Sleek new optical design
- More compact & lightweight than previous generation of TS3000s
- Increased light output provides premium performance
- New mounting simplifies installation & provides greater flexibility

Max Candela: 61,700 (Driving)/96,000 (Pencil)

Operating Voltage: 9-32V DC

Mating Connector: 2-pin Deutsch connector (DT06-2S)

Standards: DOT-Compliant, Transport Canada Compliant

Mounting Options:

- A-Pillar
- Front Bumper
- Rooftop

Description	Part #	Retail
1 LED Auxiliary Light with DOT-Compliant Driving Beam	0550441	\$205.00
1 LED Auxiliary Light with Pencil Beam	0550481	\$205.00

MODEL TS3001V

7" X 5" OVAL LED AUXILIARY LIGHT

- Identical in performance to the TS3001R, but oval in shape
- More compact & lightweight compared to previous generation
- Improved design with simplified installation & more flexible mounting

Max Candela: 61,700 (Driving)/96,000 (Pencil)

Operating Voltage: 9-32V DC

Mating Connector: 2-pin Deutsch connector (DT06-2S)

Standards: DOT-Compliant, Transport Canada Compliant

Mounting Options:

- A-Pillar
- Front Bumper
- Rooftop

Description	Part #	Retail
1 LED Auxiliary Light with DOT-Compliant Driving Beam	0550671	\$205.00
1 LED Auxiliary Light with Pencil Beam	0550711	\$205.00

MODEL 4415

3" ROUND LED AUXILIARY LIGHT

- BIG light output, small form factor
- Cutting-edge optical design delivers superior light output
- Built to withstand the rigors of off-roading
- Perfect for rig setups where space constraints are a concern

Raw Output: 2,450 Lumens

Effective Output: 1,350 Lumens

Operating Voltage: 10-32V DC

Mating Connector: Packard (#12059183)

Standards: Sealed to IP67

Model 4415 Beam Pattern

Mounting Options:

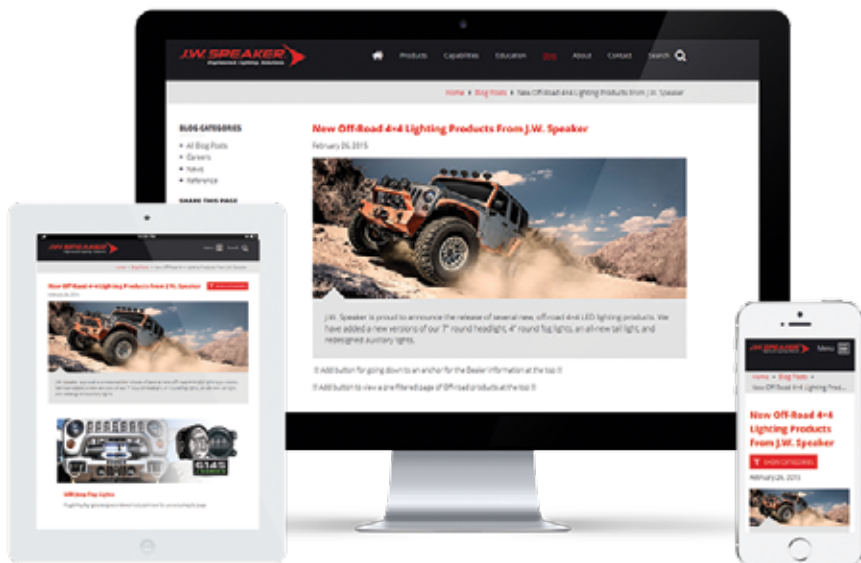

- A-Pillar
- Front Bumper
- Rooftop
- Rear Bumper

Description	Part #	Retail
1 LED Auxiliary Light with Trapezoid Beam Pattern	0549841	\$260.00
