MODEL 4417

SHINE BRIGHTER. WORK SMARTER.

Constructed with robust aluminum housing and a tough polycarbonate lens, the Model 4417 is designed to excel in the most demanding work sites. Suitable in various environments, such as: mining, industrial, construction, and agriculture.

Model 4417 LED Work Light

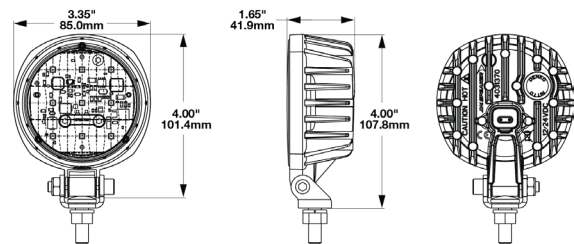

3.5" Round LED Work Light

- 2200 effective lumens in a wide, flood beam pattern
- Input Voltage: 12-24V DC
- CE Compliant
- Perfect mounting where space constraints are a concern
- Heavy duty die cast aluminum housing
- Impact-resistant polycarbonate lens
- Glare reduction through advanced housing design
- Rated IEC IP67 & IEC IP69K

Precise Light for Every Task

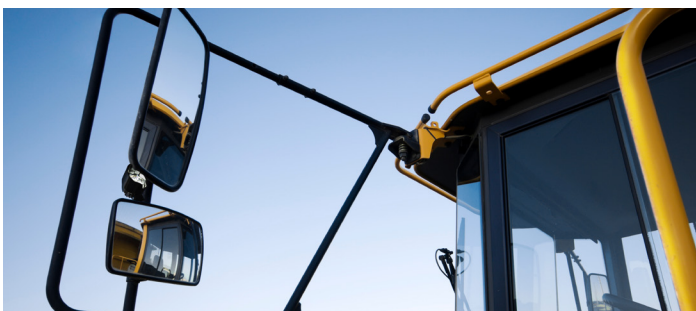

Ultimate customization for ultimate safety. The Model 4417 LED Work Light is compact and customizable to fit your vehicle's needs. In professions such as agriculture, mining, industrial operations, and construction, consistent and high quality lighting is vital for ensuring both worker safety and productivity.

These environments present unique challenges, including unpredictable weather patterns and the rigorous demands of heavy equipment use. Reliable lighting becomes indispensable in such conditions.
